RISK FACTOR

The above-mentioned risks are the top 10 internal risk factors as per the Red Herring Prospectus:

1. Substantial portion of our revenue has been dependent upon few customers with which we do not have any firm commitments. The loss of any such customers or reduction in business or demand from such customers will have a significant adverse impact on our business and results of operation.
2. Our Company is significantly dependent on a limited number of suppliers for the procurement of raw materials. Any disruption, delay, or termination of business relationships with one or more of these key suppliers could adversely affect our ability to maintain inventory levels, fulfill customer demand, and operate efficiently.
3. Any disruptions to the supply, or increases in the pricing, of the raw materials and finished products that we procure, may adversely affect the supply and pricing of our products and, in turn, adversely affect our business, cash flows, financial condition and results of operations.
4. We generate our major portion of revenue from our operations from one state of the country. Any adverse developments affecting our operations in this state could have an adverse impact on our revenue and results of operations.
5. Our business is exposed to risks associated with international trade, foreign exchange fluctuations and cross border operations.
6. Our manufacturing facilities are located only in the state of Uttar Pradesh. Any adverse developments affecting our operations in Uttar Pradesh could have an adverse impact on our revenue and results of operations.
7. Under-utilization of our manufacturing capacities may have an adverse effect on our business, future prospects and future financial performance. Moreover, information relating to capacity utilization of our production facility included in this Red Herring Prospectus is based on certain assumptions and has been subjected to rounding off and future production and capacity utilization may vary.
8. Our inability to collect receivables from our customers, or any default in payment by them, could adversely affect our profitability, cash flows, and financial condition.
9. Our Registered Office, manufacturing units, godowns and warehouses from where we operate are not owned by us.
10. We have not yet placed orders in relation to the capital expenditure to be incurred for the proposed purchase of equipment/ machinery. Any delays or cost escalations in the proposed purchase of plant and machinery for our Company could affect the implementation schedule and deployment of Net Proceeds.

For further details, please refer to the chapter titled **“Risk Factors”** beginning on page 24 of the Red Herring Prospectus.
